Gentlemen:

We have reviewed revision three of the Monticello Operator Requalification Program submitted on June 3, 1976. Specifically, the modifications are as follows:

1. Item B under section 2, page 3. The last paragraph has been changed to read:

"The licensed individual who prepares and grades the annual examination need not take the examination. This exclusion shall extend to only one individual."

2. Item C under section 2, page 3. The last sentence in the first paragraph has been changed to read:

"Licensed operators will be required to attend all lectures relating to any annual examination subject in which they received a grade of less than 80%."

The operator requalification program, as modified, continues to meet the requirements of paragraph 50.54 (i-1) of 10 CFR Part 50 and Appendix A to CFR Part 55.

Sincerely,  
**ORIGINAL SIGNED BY**
