To whom it may concern, I am most interested in obtaining a copy of all budget information regarding the following nuclear installations.

Please send me an itemized budget of plant operating years 1977-1980 in regards to the Prairie Island Pressurized water Reactor- (mailing address) Rt. 2 Welch, Mn. 55089. In addition I would appreciate the same information in regards to the Monticello Boiling Water Reactor (mailing address) Old Highway 152 N.W. of Monticello Monticello; Mn. 55362.

Both of these plants are owned and operated by Northern States Power Company (mailing address) 414 Nicollet Mall Mpls; Mn. 55401.

I appreciate your cooperation in this matter. I have been searching for this information for several months now, I hope you can help.

M.I.S. will gladly pay for any copying costs that may arise.

Sincerely,

Michael P. Jensen
