

00T 2 7 1969

Docket No. 50-263

Dr. R. N. Barr
Secretary & Executive Officer
State Department of Health
Minneapolis, Minnesota 55440

Dear Dr. Barr:

Amendments Nos. 20 and 21, dated October 13, 1969 and October 15, 1969, respectively, to application for an operating license filed by Northern States Power Company for the Monticello Nuclear Generating Plant, Unit No. 1, are enclosed for your information.

Amendment No. 20 consists of information which incorporates material previously submitted in Amendments 16, 17 and 19 for insertion into the Final Safety Analysis Report (FSAR), changes and corrections, and additional supplemental information.

Amendment No. 21 contains responses to the Atomic Energy Commission regulatory staff's questions on structural and seismic matters, additional information on plant operations, corrections to the FSAR, and additional supplemental information.

Sincerely,

(Signed) H. L. Price

Harold L. Price
Director of Regulation
