Response to Inspection Report 50-263/88008(DRSS)

The purpose of this letter is to provide our response to your letter of June 13, 1988 which transmitted Inspection Report 50-263/88008 (DRSS).

Our statement of corrective actions regarding the violations identified in the Inspection Report is attached. Also included is a written description of the improvement program that we are implementing to improve our performance in the area of plant security. This program was discussed with members of the NRC Region III staff during a meeting at the Regional Office on June 15, 1988.

This attachment contains Safeguards Information as defined in 10 CFR Part 73 and it should not be placed in the public document room.

Please contact us if you have any questions related to our response.

C E Larson
Vice President Nuclear Generation
