**Re: Amendment for License No. 10-29283-02, Control # 575905**

Dear Dennis:

With regards to my earlier application (8/29/11) adding Dr. Arif Azam as an Authorized User to the above license, I have been able to confirm that Dr. Azam was previously named as an Authorized User on NRC RML #40-16571-01. Based on our discussion on 11/15/2011, I understand this should provide you with sufficient information to list Dr. Azam as an Authorized User on 10-29283-02.

Thank you for your immediate attention to this matter.

Sincerely,

Daniel P. Leddy, M.S. HP
