Alan--

I left a message on Friday (9/23) but wanted to follow-up. The changes to the Class III report are detailed below. GCM has been working on them and they should be coming to me in the coming days along with a letter describing the requested changes. I'll be sure to forward them to NRC and BLM-NFO. Thanks.

Ben,

SHPO has a problem with the Class III survey. Can you get Dave Ferguson to address the **items below**?

Thanks,

Hi Alan,

The report just arrived today, so thank you for sending it. However, I quickly thumbed through it and noticed a couple of issues right away.

First, we will need the "**Wyoming Cultural Properties Forms**", the "**Wyoming Isolate Forms**", and the "**Survey Report Cover Page**" prior to beginning our review. Additionally, the few **photo's** I did see in the report are pretty "scratchy" and don't meet standards for archiving.

Thanks for your attention to this matter, and I look forward to seeing you next Monday.
