Yes I know that we need to comply with two weeks. Maybe I will offer the 19th and see what they say to give them a chance. Be right back to you.

Chris,

It looks like the afternoon of the 18th would be the best for most people. The second alternative is right after lunch on the 19th.

I am assuming you are talking about staff's time. Do we have to post an announcement for a public meeting? If we do, I have to do it tomorrow for the 14th.

Let me know

John

John:

Is there availability for October the 18th or 19th for a 60-90 minute meeting for Strata? Just wanted to check schedules.
