Ben

That would be fine. I have an a meeting at 11 my time. So either start at 9 my time or 1 pm would be fine. Let me know.

John--

Thanks for your time this morning. I'd like to talk again next week, would morning of 11/9 (Wed) work for you? In addition, I think it would be beneficial to have Ray Moores (cc'd) on this email available to talk more succinctly about GW Model. Again, thanks for your time and let me know what would work for you.

Ben
