Thanks Alan. I believe Dr. Tretabas with BLM-NFO would like to have Jennifer Davis' contact information. Could you forward a # and email to James Bashor? Thanks.

John--

I hope things are going well with you. We're finalizing the limited data sets to be included in the Ross TR and ER per the cover letter dated January 4, 2011 to Keith. I believe the files will be small enough to email and I wanted to make sure that was the appropriate delivery method (assuming they will meet NRC electronic submittal criteria). In addition, we'll be supplying a revised affidavit and updated figures for the TR for public consumption. If you get a minute, please let me know how you prefer these data to be transmitted. Also, just out of curiosity, what is the status of the Section 106 letters?

Respectfully,

Ben
