RE: NRC Material License No. 13-32758-01  
Docket No. 030-38095

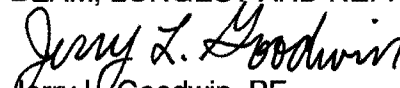

Dear Mr. Herr:

As required and in accordance with 10 CFR 30.36(d), we are writing this letter to inform you that we wish to renew our NRC Material License even though no principal activity under our license has been conducted for a period of 24 months. We have not acquired any equipment but we may choose to do so in the near future depending on our workload.

Should you have any questions or comments, please do not hesitate to contact me at (317) 849-5832.

Very truly yours,

BEAM, LONGEST AND NEFF, L.L.C.

Jerry L. Goodwin, PE

Radiation Safety Officer

David K. Matson, PE  
Vice President
