Dear Ms. Sara Forester,

I am writing in support of the addition of Melissa L. Wilson as an Authorized Medical Physicist. Maksud G. Khatri, MS, DABMP submitted form 313A along with supporting documents for your review on September 1, 2011.

You will note that Mrs. Wilson holds a Masters degree in Radiological Physics from Wayne State University, a CAMPEP accredited program. She has been working in Radiation Oncology since 1998. Her 13 years of experience includes high-energy external beam therapy and brachytherapy, as a radiation therapist, medical dosimetrist, and now as a medical physicist.

Should you need any additional information, please contact me at 248-338-0300.

Sincerely,

  
Jeffrey D. Forman, MD, FACP
