Many thanks and I realize that every person needs to register individually – I wouldn't dream of giving out the pass code to anyone else.

Looking forward to the meeting.

Cheers

Zoe

Good Morning,

NRC has set up a phone line for public participation for those not able to make the meeting in person.

The phone number is 517-268-4735

You will need a pass code. The pass coded is entered through a touch-tone phone when asked. The pass code for this meeting is: 18763

I set up a limited number of lines so I ask that if you know anyone else that may wish to participate to contact me for the information.

Dear John

I am an Australian shareholder of Peninsula Energy (Strata Energy's parent company) and am interested in listening to the proceedings of the NRC's public meeting with Strata Energy, which is due to be held on 7 July 2011.

Can you please advise if I will be able to participate/listen into the teleconference?

Many thanks,

Zoe Smith
