Dear Ms. Oxford:

On behalf of the Nuclear Regulatory Commission (NRC), I am responding to your letter of August 25, 2011, in which you requested additional responses to ten questions related to the October 21, 2003, shutdown at the Callaway Plant.

I understand members of the NRC staff met with you on November 8, 2011, to discuss your questions and provided a summary of the conclusions regarding each of the questions in a letter to you dated November 17, 2011, from Elmo E. Collins, Regional Administrator, Region IV. If you have any additional questions, please feel free to contact me, Elmo Collins or Bill Maier, Region IV State Liaison Officer, at (817) 860-8267. Thank you for your interest in this matter.

Sincerely,

/RA/
