Todd,

STP's non-proprietary determination of your audit report.

Mike,

The DRAP audit report has been reviewed and determined not to contain any proprietary information. It may be released to the public.

Regards,
Coley Chappell
NINA Licensing STP 3&4

Coley,

Please review the attached 9/25/11 DRAP audit report memo for any STP proprietary information (this is a password protected document). We do not believe there is any contained, but as a courtesy, we want to give STP/NINA the chance to assess the document for any proprietary information before we make this publicly available. Please advise and thank you.
