Hi Rocky,

Lynn and I looked at the second draft FSAR write-up, and we will propose some small editorial changes to be consistent with RG 1.174 during the phone call tomorrow. We also propose referencing the Commission Goals to the SRM to SECY 90-016 not the SECY itself, since the SRM reflects the final Commission decision. Thank you for putting this issue first on the phone call.

Thank you.
Marie

Rocky,

Attached is a second draft markup of FSAR Sections 19.4.6 and 19.4.7 with changes based on yesterday's discussion with staff.

If there are no further questions, NINA plans to submit a Revision 6 response to RAI 19.01-31 to include this markup, and to incorporate the changes into COLA Revision 7 (confirmatory).

Regards,

Coley Chappell
