RE: Notice of Violation, Docket No. 4831-11, Permit 478, Uranium One USA, Inc.

Dear Mrs. Wichers:

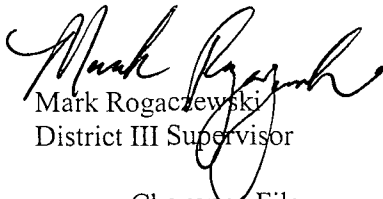

Glenn Mooney and I of the Land Quality District III Office have reviewed the draft White Paper emailed to District III on September 23, 2011, by Bill Kearney of your staff.

We have found the paper acceptable under terms of the Settlement Agreement accepted by the Director on May 24, 2011. As part of the Settlement Agreement, Part 5, please submit a copy of the White Paper to the Wyoming Mining Association (WMA) and furnish this office with a written copy of the transmittal document.

Upon receipt of documentation, the White Paper has been distributed to the WMA, the WDEQ/DEQ will return \$10,000.00 of the penalty to Uranium One.

Should you have any questions, please contact Mark Rogaczewski at 307-675-5616.

Respectfully,

Mark Rogaczewski
District III Supervisor
