Dear Mr. Miller:

Enclosed is Amendment No. 27 to your NRC Material License No. 21-26532-01 in accordance with your request. Please note that the changes made to your license are printed in **bold font**.

We reviewed your letter received on August 11, 2011 and your response letter dated November 4, 2011. Based on your submitted information, we have authorized the release of Suite 100 at 8560 Silvery Lane, Dearborn Heights, Michigan; the facilities at 1159 East Michigan Avenue, Ypsilanti, Michigan; Mobile trailer SPECT 2; and Mobile trailer SPECT 3; for unrestricted use.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any questions or errors, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate answers and corrections.

You will be periodically inspected by NRC. Failure to conduct your program in accordance with NRC regulations, license conditions, and representations made in your license application and supplemental correspondence with NRC will result in enforcement action against you. This could include issuance of a notice of violation, or imposition of a civil penalty, or an order suspending, modifying or revoking your license as specified in the General Statement of Policy and Procedure for NRC Enforcement Actions. Since serious consequences to employees and the public can result from failure to comply with NRC requirements, prompt and vigorous enforcement action will be taken when dealing with licensees who do not achieve the necessary meticulous attention to detail and the high standard of compliance which NRC expects of its licensees.

In accordance with Title 10 Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank P.D. Tran".
