Subject: RE: Powertech Dec. 7 meeting

Dear Mr. Parsons,

1) The call-in number is as follows:

Passcodes/Pin codes:

| |
|-----------------------------|
| Participant passcode: 69265 |
|-----------------------------|

For security reasons, the passcode will be required to join the call.

Dial in numbers:

| Country | Toll Numbers | Freephone/ Toll Free Number |
|---------|--------------|--------------------------------|
| USA | | 877-918-3015 |

Restrictions may exist when accessing freephone/toll free numbers using a mobile telephone.

In-Conference Features:

| |
|--|
| All participants must use a touch-tone phone to participate in an Audio Conference. The following features are available for you to use on your phone during an active conference: |
|--|

- ◆ Press *0 operator assistance (small fee may apply)
- ◆ Press *6 mute/unmute individual line

Please do not distribute further as there are a limited number of phone lines.

2) I do not expect any material from Powertech prior to the meeting. If I do receive any such material, I will place it in ADAMS and try to send the ADAMS reference number to you in time for the meeting.

Regards,

Ronald A. Burrows

Subject: Powertech Dec. 7 meeting

Hello Mr. Burrows, I am interested in participating in the meeting scheduled with Powertech on the morning of Dec. 7 to discuss the company's hydrologic model for the Dewey-Burdock proposal.

Can you:

- 1) Provide me a call-in number?
- 2) Provide me with any Powerpoint or other materials provided by Powertech for the meeting, by email or otherwise –even if only on the morning of the meeting?

Thank you for your help.
