(NOTE: This will be used as the Documents Title in ADAMS)

I called to speak with Mr. Parkulo about submitting a new renewal application. The one he submitted was from an old version of Nureg-1556, Vol 1. I told him I would fax the current application checklist for him to fill out and return in support of his renewal dated 11-15-11. He agreed to fill out the checklist and fax it back to us today. I reminded him to include a signed cover letter/fax sheet.

I told him once we received the information we would continue our review and issue the renewal.

I thanked him for his time and ended the call.

Action Required: process renewal once information received from licensee
