RE: **Amendment to NRC License No. 21-16754-01**
Control #575660

In response to your question regarding the results of the closeout of Home clinic, I spoke with the nuclear technologist, Van Williams, who performed the surveys. He confirmed that a background was counted and all wipes were below the background value.

If you have any questions or I may be of assistance, please contact me by phone at (734) 662-3197 or by e-mail at supdike@mpcphysics.com.
