I called to ask Mr. Chung a couple of clarifying questions regarding the license renewal dated November 7, 2011.

1: I asked him if he intended to remove Annex 8 from the list of locations authorized for storage. He replied "Yes". I asked him if he ever stored material there to which he replied, "No". I asked him to send that information to me via email or fax. He said he would.

2: I asked him to confirm the address for the Annex 9 storage location. He confirmed that it is at 300 McMillan Drive, N.W. (Which is actually on the corner of 4<sup>th</sup> Street & McMillan Drive N.W. in DC).

I told him once we received the information we would continue our review and issue the renewal.

I thanked him for his time and ended the call.

Action Required: process renewal once information received from licensee
