Subject: Amendment minor license changes

(NOTE: This will be used as the Documents Title in ADAMS)

I called to inform Capt Davis-Urgo that we cleaned up 2 license conditions (#15 & #16) to reflect the following:

#15 – we changed this LC to reflect the current Leak test LC we are using.

#16 – we removed “C”, which should have been part of #15 , and it is now in #15 where it belongs.

I asked her to review the other tie-down letters listed in LC #18 to see if any of the documents could be removed. We would remove them during the next amendment.

I told her the amendment was on the mailout shelf, thanked her, and ended the call.
