Good morning Alan,
I forgot to put in my email the names of which Tribes will be in attendance, my mistake.
Could you send me a list of who all confirmed their presence?
Thank you and have a good day.
Steve

Greetings Alan,

Now I am confused. It seems that the Tribes had a conflict with the dates of Nov.2-3 as they are meeting with another agencies project at that time. It also seems this was changed from a previous date, for what reason I don't know. The Great Plains Tribes wish to ease the restraint of miles traveled by setting the date later as there is another mining project proposed in the same area. Consultation is supposed to be with the interest of the Tribes in mind and this appears to be neglected in the proposed Ross Project.

I would like you to email me the number of Tribes that will be attending on the 2nd and 3rd as I want to be there but only if it will be beneficial to NRC "and" the Tribes.

Thank you

Steve Vance

All,

There seems to be some confusion about the dates of the 2nd Ross Site Walkover and Consultation. Apparently, a lot of e-mails have been going around about switching the dates to Nov 8 & 9. That is not the case. The dates for the 2nd Site Walkover and Consultation are Nov 2 & 3. I apologize for the confusion, but the NRC never considered those dates.

Respectfully,

Alan B. Bjornsen
