Good afternoon,

Just to let you know it is necessary for my office to attend a previously scheduled consultation, the SWO will not be able to attend this meeting. We are interested in a site visit at a more opportune time. Thank you for your attention in this matter.

Lana,

The following Sioux tribes have indicated they will be attending the site walkover and consultation this week:

- Cheyenne River
- Crow Creek
- Flandreau Santee
- Fort Peck Assiniboine
- Rosebud
- Santee
- Sisseton-Wahpeton

Lana, you had indicated, at one point, that you would be attending. The only Sioux tribes that said they would not be attending are the Lower Brule and Standing Rock. There are two tribes, Oglala and Spirit Lake, that have not gotten back to me.

Regards,
Alan

Sorry thought I sent this in the last email:

Alan

I know I confirmed last week but I do not feel comfortable attending a consultation where the majority of the Sioux tribes are not present. The presence of a few tribes is not consultation. Please schedule another date that is more acceptable. The project cannot move forward without compliance under the Section 106 of the National Historic Preservation Act.

Subject: 2nd Ross Site Walkover and Consultation

All,

There seems to be some confusion about the dates of the 2nd Ross Site Walkover and Consultation. Apparently, a lot of e-mails have been going around about switching the dates to Nov 8 & 9. That is not the case. The dates for the 2nd Site Walkover and Consultation are Nov 2 & 3. I apologize for the confusion, but the NRC never considered those dates.

Respectfully,

Alan B. Bjornsen
