Dear Mr. Brown:

We have completed our review of the decommissioning financial assurance in the form of a Statement of Intent (SOI) dated January 23, 2009, for U.S. Nuclear Regulatory Commission (NRC) License No. 21-16544-01. Within the scope of our review, no deficiencies were identified and the new SOI is approved.

As a result of the approval of this replacement decommissioning financial assurance instrument, we are canceling and returning an approved SOI dated April 17, 1990.

In accordance with Title 10 of the Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at [http://www.nrc.gov/ reading-rm/ adams.html](http://www.nrc.gov/reading-rm/adams.html).
