Subject: Crook County Natural Resource District--Oshoto project

Good morning Alan,

Thank you for calling last week in regard to the uranium recovery in our area. I contacted my Board and a few of them would like to meet up with us when you come through on the 25th of August. Do you have additional information I can send to educate us a little more before you arrive? :) Additionally, what time do you think you will be in Sundance, WY on the 25th?

Kind regards,

Sarah
