John, Wilfred and Wilmer,

The 2<sup>nd</sup> site walkover and consultation for the proposed Ross uranium ISR project will be held next week. You should have received information on this event via several forms of communication (electronic, fax, voicemail). Since I have not heard from you, I am assuming that you will not be attending. You will, however, receive a copy of the transcript that will be generated during the consultation on Nov 3.

Regards,

*Alan B. Bjornsen*
