

NEI License Renewal Implementation Working Group

Shannon Rafferty-Czincila

Chair - NEI LRIWG

Exelon Nuclear

December 8, 2011

NRC License Renewal Task Force
Meeting

Goals

- ✓ Be the NEI License Renewal Task Force (LRTF) tool for evaluation of all issues relative to LRI
- ✓ Forum for the exchange of ideas related to LRI
- ✓ Establish “best practices” by sharing operating experience
- ✓ Provide recommendations to industry technical support groups such as EPRI
- ✓ Add consistency to LRI practices

Achieving Our Goals

- ✓ Meetings twice a year
- ✓ Provide LRTF initiated task results and other LRI related recommendations to the LRTF
- ✓ Standing OE agenda item
 - ✓ Discovery of aging mechanisms
 - ✓ Effectiveness of aging management processes
- ✓ Share best practices

Achieving Our Goals

- ✓ Participate as industry peer reviewers
- ✓ Establish guidance for implementation activities
 - ✓ Aging Management Coordinators
 - ✓ 54.37(b)
- ✓ Work with industry resources and each other to find more effective aging management technologies
