Hi Alan,

I'm not sure what to say, I'm familiar with the Rocky Boy Reservation/Chippewa Cree. They are federally recognized so they are treated like any other tribe.

Good afternoon, Richard. I have a question – all of a sudden for the Ross project, another tribe has come into the picture; what do we do with them? They are not DETO-affiliated, and no one at NRC has, here to for heard of them. They are the Chippewa Cree from Box Elder, MT on the Rocky Boys Indian Reservation. I guess we'll find out what their interest is in the Ross site, as they are planning to send 2 representatives to the next site walkover and consultation. Thanks.
