Hi, Alan – I left a message for Curley this morning, and missed his return call this afternoon. I'll give him another call first thing tomorrow and will keep you posted. I don't believe he has contacted the Gillette office.

Melissa,

Have you spoken with Curley Youpee of the Fort Peck Assiniboine and Sioux Tribes? Apparently, he wants to attend the second site walkover and consultation in November. Has he contacted anyone in the Gillette Office? Thanks.

Alan

**Importance:** High

Good morning, Francis – it was a pleasure visiting with you today regarding the upcoming Section 106 Tribal Site Walkover and Consultation for Strata Energy's Ross Uranium ISR Project. Although you attended the previous consultation in September, we welcome you to join us again as your schedule permits. If you elect to do so, please advise Mr. Bjornsen with the NRC of your attendance, and contact Melanie in Strata's Gillette office regarding reimbursements.

Per your request, I have included below an email received last week from the NRC with attachments detailing the agenda for the site walkover and subsequent consultations. We look forward to seeing you again on November 2 and to working with you throughout the Section 106 process.

Best regards,

***For Strata Energy:***
