Thank you, Alan – I believe the archaeologist might be Ben Rhodd. Steve Vance mentioned him as an attendee at the associational group meeting this week.

Thank you, Melissa. Russell was already on my list. Mary told me that it would be Russell and an archaeologist that would be attending.

Importance: High

Good morning, Mr. Eagle Bear – I spoke with Mary in your office today regarding the upcoming Section 106 Tribal Site Walkover and Consultation for Strata Energy's Ross Uranium ISR Project, scheduled for November 2-3, 2011. I was calling to confirm your receipt of the informational packet sent by Strata about 2 weeks ago containing additional information about the project and to confirm that you were aware of the November 2-3 consultation.

Per Mary's request, I have included below an email received last week from the NRC with attachments detailing the agenda for the site walkover and subsequent consultations. We look forward to meeting you on November 2 and to working with you throughout the Section 106 process.

Best regards,

For Strata Energy:
