Hi, Darlene. Yes. You, absolutely, are a part of the consultation process. You were not contacted, directly, because we wanted to give those that could not attend the first site walkover and consultation a chance to participate. I assumed that the next time you wanted to visit the site was to be for a TCP survey. This 2<sup>nd</sup> event will be the same as the one you attended in September. You are more than welcome to attend this event as well. Please make sure you contact either Mike Butcher or Melanie at the Strata office in Gillette for financial assistance. I look forward to seeing you, again.

Thank you.

Hello Alan Bjornsen,

I recieved a call from Melissa Butcher from Strata today. She was confirming the tribe's participation in the Section 106. I told her I had not heard from you or NRC regarding the Ross ISR 2nd consultation.

on November 2-3 in Gillette. Can you let me know if the Northern Arapaho are still part of the consultation process? We would like to continue to participate.
