Subject: RE: Ross Site Walkover and Consultation

Alan,

Please don't infer anything from my message. I'm stating for the second time that it would be HELPFUL if you included at least a few of the tribes in on your decision to re-schedule consultation and walkover dates when we had planned on the meeting dates you had provided earlier. You emailed some of the tribes *this morning* and changed the dates for the field visits. As you can see many of the tribes on this email have agreed on meeting with the Tennessee Valley Authority in Bismarck on the dates you provided. So it is unfair for us to have to re-accommodate our schedules on the drop of a dime because of your email *THIS MORNING* changing the dates.

Having said that, it sounds like you legitimately don't care about the tribes' schedules so we will have to leave one meeting to attend the your walkover.

SO YES WE WILL BE THERE.

THANK YOU FOR YOUR TIME AND MEANINGFUL EFFORT.

Wašté Wiŋ Young

Waste'Win,

So, I'm inferring by your message, below, that both the Standing Rock Sioux and Sisseton-Wahpeton Sioux will not be attending the site walkover and consultation. You will still be sent, however, a copy of the transcript from the consultation.

Oh Alan, sorry I was asking the tribes on your email. I know that on Nov 1-2 is a meeting here in Bismarck ND with the Tennessee Valley Authority and regional tribes who participated in the Ashley Wind Farm Project.

I think it's imperative that you work with tribes on dates—we're here to help not hinder. I know we worked on our schedules this past Tuesday morning on a conference call with several tribes and decided on the Nov 1-2 dates to be in Bismarck with the TVA.

Thank you,

Waste'Win,

I'm not aware of a TVA meeting.

Alan

Subject: RE: Ross Site Walkover and Consultation

Dear Tribal Representatives,

There has been a change in the dates of the 2nd Ross Site Walkover and Consultation. I apologize for any inconvenience, and trust that it will not result in your being able to attend these activities. Please note that the new dates are Wednesday, November 2nd for the Site Walkover, and Thursday, November 3rd for the Consultation.

Please contact me no later than Thursday, October 20, on your decision, so that we can make the necessary arrangements if you do plan to attend these activities. As stated in the previous correspondence, logistical information will be forthcoming.

Respectfully,

Alan B. Bjornsen
