Alan – I told Darlene I was calling to confirm her receipt of our follow-up packet and mentioned the November 2 consultation. She sounded interested in returning, and I reiterated our position from the letter included in our packet that we would reimburse travel for a second visit if she wished to return. She did not give me a clear indication as to whether she planned to return, but stated that she appreciated the invitation.

Melissa,

Did Darlene actually request a second visit and consultation? Just curious.

Good morning, Darlene – it was a pleasure visiting with you today regarding the upcoming Section 106 Tribal Site Walkover and Consultation for Strata Energy's Ross Uranium ISR Project. Although you attended the previous consultation in September, we welcome you to join us again as your schedule permits. If you elect to do so, please advise Mr. Bjornsen with the NRC of your attendance, and contact Melanie in Strata's Gillette office regarding reimbursements.

Per your request, I have included below an email received last week from the NRC with attachments detailing the agenda for the site walkover and subsequent consultations. We look forward to seeing you again on November 2 and to working with you throughout the Section 106 process.

Best regards,

For Strata Energy:
