Importance: High

Good morning, Mr. Coffey – it was a pleasure visiting with you today regarding the upcoming Section 106 Tribal Site Walkover and Consultation for Strata Energy's Ross Uranium ISR Project. It is my understanding that either you or Mr. Crows Breast are planning to attend the consultation on November 2-3. As I mentioned, Strata's reimbursement policy and related forms are included in the packet sent to you recently. Please do not hesitate to contact Melanie in Strata's Gillette office if you have any questions regarding reimbursements.

Per your request, I have included below an email received last week from the NRC with attachments detailing the agenda for the site walkover and subsequent consultations. We look forward to meeting you on November 2 and to working with you throughout the Section 106 process.

Best regards,

For Strata Energy:
