Alan,

We will be there. Please let me know the lodging accommodations, per diem and mileage, and consultation fee process. I will need to know so that I may begin travel orders with the tribe.

Subject: Ross Site Walkover and Consultation

All,

To date, 10 tribes have indicated that they can make the dates of Sep 13 & 14 to conduct the site walkover and consultation. Eight Tribes have indicated that they cannot make it because of other commitments. Two tribes have said that they have no interest in the proposed Ross project, and 4 tribes have not responded to the invitation, at all.

Because so many tribes cannot make the dates of Sep 13 & 14, and it is the intent of the NRC to have as many tribes participate as possible, if the dates were changed to Sep 15 & 16, would you (your tribe) be able to participate in the walkover and consultation?

Your response is appreciated as soon as possible. I will follow up with a phone call to each of you, today and tomorrow.

Respectfully,

Alan B. Bjornsen
