Hello Alan,

Unfortunately the dates (Sept 15 and 16) do not work for our tribe for consultation and walkover for the site. These dates are right in between two meetings (Sept 12 -14 and Sept 18-21) with the second meeting requiring logistical support back on the reservation to coordinate during your proposed dates. We simply cannot be in attendance on those dates.

I have reviewed the Class III document attached to the request for consultation (received 08/15/11) and will be forwarding comments this week.
