Alan,

Thanks for getting back to me, I guess I would suggest holding this meeting at a later date, possibly in October as we have nothing scheduled yet. Many tribes are scheduled for meetings the first 3 weeks of september and although this seems like a good opportunity many of us will have already have been on the road for the first 2 weeks. Also, I personally have children and other schedule conflicts. This meeting is very important to our tribes and I encourage a date in October. Thank you for your attention in this matter.

Dianne,

Lana Gravatt of the Yankton Sioux suggested re-scheduling the NRC consultation for the Ross project to Sep 15 & 16. Would you be able to attend?

Thank you for your timely response.

Good afternoon, I am writing wllth regard to your proposed upcoming meeting. At this time the Sisseton Wahpeton Oyate will not be able to attend due to conflicts in schedule. I encourage you to reschedule your meeting which would allow tribes the opportunity to consult on this crucial project and provide your office an effort at good faith consultation with the various tribes and bands who may have interest, in areas which may be of cultural significance. Your attention in this matter is greatly appreciated. Sincerely, Dianne Desrosiers, Wahpeton Oyate-Tribal Historic Preservation Officer
