Tomeka / Alicia,

Please find attached a proposed revision to the alternative site audit agenda. Without decreasing the time spent at each site, I was able to cut one day from the schedule by starting a bit earlier each morning and moving the Buckeye visit to Tuesday.

Thanks for considering this proposal. We believe that it will make the audit more efficient without diminishing its effectiveness.

We can discuss the details on tomorrow's conference call.

Thanks and have a good day,
JT
