Tomeka,

Thanks again for assembling your team for the call this afternoon. I think it was very helpful.

Just wanted to follow up on Harriet's reading room access. If she hasn't received her login information or if she has any trouble, please contact Dave to follow up with Scientech.

I'll get our folks started addressing some of the questions from today's call. Please go ahead and work with Dave if you'd like to schedule another call for early next week. I might be available to join, but I'm not sure. Either way, I'll work with Dave and Chris to make sure we keep things moving.

Thanks again and have a great evening.

JT,

Sure, I will let know you if we have any problems with the electronic reading room. Also, I need to add Harriet Nash to the electronic reading room. Here is her e-mail address [harriet.nash@nrc.gov](mailto:harriet.nash@nrc.gov).

Thank!  
Tomeka

Tomeka / Alicia,

All of the reviewers listed in Sheet 1 of the attached excel file should have recently received an e-mail with their reading room access credentials. Sheet 2 lists other reviewers who already have access (mostly safety folks).

If you don't mind, please ask your team to try it out at their earliest convenience to confirm that everything is working ok for them.

Please let me know if you have questions, or if you experience difficulty accessing / navigating the electronic reading room.

Thanks and have a good afternoon,  
JT
