Subject: Alternative site hydrology information memo

Tomeka,

Per our discussions on the 11/5 call regarding the alternate site audit, I have posted a draft memo titled "alternatesite_water_techmemo-draft.docx" to the ER Section 9.03 folder of the VCS reading room.

The draft memo provides information on: 1) regional water planning in the areas of the alternative sites; and 2) information on GW aquifers at the alternative sites.

Please let me know if you have questions on the posted information.

Thanks,
JT
