Ben,

I know you've been asking that we submit the Class III Cultural Resource Inventory (CRI) Report to the SHPO. We will submit it, but all in due time. We have an environmental contractor 'on-board' to help us prepare the NEPA document as part of the license application. One of their responsibilities is to review the CRI Report and render its technical acceptability. The NRC would, then, submit to the WY SHPO for its concurrence. It will happen, but not until the ER (including the CRI) has undergone the acceptance review. I trust you understand.

Regards,

*Alan B. Bjornsen*
