Donna Rae,

Have you had a chance to talk with Steve Vance about his opportunity? Since I haven't heard from you, my thought is, maybe your tribe is not interested in Section 106 consultation. If that is not the case, please advise me by letter or e-mail. Thank you.

Alan

Donna Rae,

On February 11, 2011, a letter was sent to your Chairman inviting your tribe to participate in Section 106 Consultation for the proposed Ross uranium recovery project located in Crook County, WY. The project site is located 11 miles west of Devils Tower, and your Chairman was sent the letter because of the tribe's affiliation with Devils Tower. I need to find out if your tribe is going to participate. Thank you.
