Good afternoon Mr. Murray. I just tried calling you about the fax of the letter inviting the tribe to participate in Section 106 consultation on the Ross uranium recovery project in Crook County, WY. I got no answer. I have to assume, since I have not heard from you, that the tribe is not interested. If this is not the case, however, please send me an e-mail (at least) indicating the tribes interest (a letter would be preferable). Thank you.
