Dianne,

I have not heard back from you. Does that mean your tribe is not interested? Please respond. Thank you.

Dianne,

I spoke with someone from your Chairman's Office that gave me your name. On February 11, 2011, a letter was sent to your Chairman inviting participation in Section 106 activities for the proposed Ross uranium recovery project in Crook County, WY. The proposed project site is 11 miles west of Devils Tower, and your Chairman was sent the letter because of your affiliation with Devils Tower. I need to know if your tribe will be a participant. Thank you.
