Subject: Re: Proposed Strata Energy Ross Site, Crook County, Wyoming

Hi Stephen,

For a complete list of tribes interested in that area, I suggest that you contact Dorothy Firecloud, Superintendent of Devils Tower National Monument.

Otherwise, on top the Tribes you have listed, I would suggest the following:

Northern Cheyenne Montana
Crow, Montana
Eastern Shoshone, Wind River Reservation , Wyoming
Northern Arapaho, Wind Rive Reservation, Wyoming
Kiowa Tribe of Oklahoma
Comanche Tribe of Oklahoma

The Black Hills National Forest and the Newcastle Field Office of the BLM may also be able to provide some tribal information.

Let me know if you have any questions,

Richard L. Currit

Hello Richard:

The NRC expects to receive an application for a new in situ recovery (ISR) facility near Oshoto, Crook County, WY. I am attempting to contact Indian tribes that might be of interest in the project. The site is basically at the intersection of New Haven-Oshoto Road and Cabin Creek Road, approximately 12 miles due east of Devil's Tower. After checking the NAGPRA database, I came up with the following tribes:

?? Assiniboine and Sioux Tribes of the Fort Peck Indian Reservation, Montana
?? Cheyenne River Sioux Tribe of the Cheyenne River Reservation, South Dakota
?? Crow Creek Sioux Tribe of the Crow Creek Reservation, South Dakota
?? Lower Brule Sioux Tribe of the Lower Brule Reservation, South Dakota
?? Oglala Sioux Tribe of the Pine Ridge Reservation, South Dakota
?? Rosebud Sioux Tribe of the Rosebud Indian Reservation, South Dakota
?? Santee Sioux Nation, Nebraska
?? Standing Rock Sioux Tribe of North & South Dakota
?? Three Affiliated Tribes of the Fort Berthold Reservation, North Dakota

I was wondering if you know of any other tribes that might be interested in this site. If you have any questions, please call me.

Thanks,

Stephen J. Cohen
