

Public Comment Letters

An important part of the development of this policy statement was public input. The NRC published a request for public comments on August 15, 2011, in the *Federal Register*. This appendix contains information to locate the comment submissions within the NRC's Agencywide Documents Access and Management System (ADAMS), which can be accessed via www.nrc.gov.

Federal Register/Vol. 76, No. 157/08-15-2011 (NRC-2011-0183): Request for Comments on the Draft Policy Statement on Volume Reduction and Low-Level Radioactive Waste Management

Below is information regarding the comment submissions received in response to the NRC's request for public comment:

Commenter	Date	ADAMS Number
