Mr. Seeley:

License No. 08-23557-01

Per our telephone conversation concerning the facility for storage of nuclear material, please remove the facility Annex 8 from Condition No 10 of Material License to be used of licensed material. The only facility to be used is Annex 9 at 300 McMillan Drive, NW, Washington, DC 20001. Thanks!

Please contact me if you have any questions.
