Subject: FEIS for Muscle Shoals re-development, dated 11/9/2011

(NOTE: This will be used as the Documents Title in ADAMS)

I attempted to reach Stan Davis, listed in the Aaron Nix letter as the contact for the FEIS, but was unable to reach him or get a response; email was returned. I then attempted to reach the RSO and licensing contacts for the two NRC licenses currently listing Muscle Shoals as a location of use. On December 1, I had a conference call with Lee Miller, Joe Shay and Jay Hensen; they were not aware that the FEIS was submitted to us, and did not know why. They were able to discuss progress they were making towards completion of the information needed to terminate the -01 license. They said that they would look into why the FEIS was sent to us and get back to me.

12/12/11 I called Lee Miller back, he then contacted Joe Shay/Jay Hensen, and got back to me. He stated that the FEIS was sent to all potentially interested federal entities, and we could comment if we would like to.
