Ref: Entity change to UL LLC
License#: 13-32402-01

Mr. Kevin G. Null,

Certain United States legal entities in the UL Family of Companies will be undergoing change as of the end of 2011. Underwriters Laboratories Inc. will remain a not-for-profit, 501 c 3 legal entity and will remain the top level parent company in the UL Family of Companies. A new subsidiary of Underwriters Laboratories Inc. has been formed and is named "UL LLC" – a limited liability company. UL LLC, and nearly all other subsidiaries, will continue to be owned directly or indirectly by Underwriters Laboratories Inc. As of 1 January 2012, Underwriters Laboratories Inc. will transfer the staff, management, facilities, equipment, processes, procedures, information, intellectual property, etc. used to fulfill [accreditation] requirements to UL LLC.

As a result, as of 1 January 2012, UL LLC will be the legal entity that has the resources and will assume the responsibility for fulfilling [accreditations] currently held by Underwriters Laboratories Inc. The address(es) for UL LLC will be the same address(es) you currently utilize for [accreditation] of Underwriters Laboratories Inc.

The UL staff with whom you interact regarding [accreditation] will not change. However, these staff will be employees of UL LLC starting 1 January 2012. Payments for 2012 accreditation activities and fees will be made by UL LLC.

If there are any actions to be completed as a result of the above changes, please let us know by the end of January 2012.

Thank you for your attention to this matter. Please feel free to call on me if discussions or further information are needed.
